A Brief History

Zakir Husain Delhi College, one of the oldest and most prestigious colleges in Delhi, comes with the legacy of a rich and a historically significant past. The institution traces its origins back to a Madrasa, founded by Ghaziuddin Firoz Jung that went on to become one of Delhi's leading places of learning.

Until the late eighteenth century, the Madrasa was located near a Mosque just outside Ajmeri Gate, one of the gates of the walled city of Shahjahanabad. Built in the Indo-Saracenic style, the old building was designed with all the elements of a Madrasa-Mosque, Maktaba, a library and a double tier of Hujras for the students. The Madrasa, at that time, functioned as a traditional Muslim institution of higher learning with Arabic and Persian being taught to a small number of students.

The British took over Delhi in 1803, and this humble abode of learning became Delhi College, also popularly known as 'Dilli College' in 1825. The institution remained one of the centres of the Delhi Renaissance during 1830-40s. It was closed down after the War of Independence in 1857, only to open two decades later in 1877, when it was merged with the Government College of Lahore.

Initially, Arabic and Persian were the main languages taught at the Madrasa. However, with the establishment of British rule across the country, there was an increasing desire for teaching-learning of English. The College, however, retained Urdu as medium of studies with special emphasis on Arabic, Persian and Sanskrit. One of the salient features of Delhi College was that modern subjects like Mathematics, Geometry, Philosophy, and Physics, amongst other sciences were taught in Urdu. The college set up the Delhi Vernacular Society in 1832 for the translation of scientific treatises, Greek classics and Persian works into Urdu. The teachers and the students became the centre of a scientific and literary flowering that C.F. Andrew's referred to as 'the Delhi Renaissance.'

The old Delhi College progressed with Oriental and Western education, a step to uphold secularization and modernization because its purpose was to provide both traditional and modern knowledge to the students. With the advancement of science, the College was able to create an atmosphere of rationality to challenge shackles of conservatism. As has been said by Sir Syed Ahmed Khan "We should have philosophy in our right hand, Natural Science in the left and the crown of 'Kalma-e-Tayyaba' on our head".

The partition of India, in 1947, led to the brief closure of the College. But the strenuous efforts of Mirza Mehmood Begg, a thorough philanthropist and a visionary in the field of education, led to the revival of Delhi College. With the cooperation of a few old and new members of the faculty and patrons, he instilled a new lease of life in the College. Begg's position as the Principal of the college ensured a modest beginning in 1947 with 200-250 students which later flowered into a fully-fledged institution accommodating more than a thousand students. It was under his stewardship that evening classes were started in 1958 to enable employed youth to continue their education. Thus, the Evening College catered to a wide variety and a relatively bigger number of

students. In the mid-1970s, the college suffered from an absolute cash crunch and financial crisis, and was subsequently handed over to the Zakir Husain Memorial Trust. The new name of the college was Zakir Husain College in 1975.

The Evening College began with a course called Preparatory Class. It received a grant from the UGC in 1969 and, thereafter, new rooms were constructed for Vice-Principal, the Bursar and a separate library for the students. The infrastructure of the College improved in the subsequent years under the able guidance of the former Principals-Mr. Manzoor Husain Musavi, Dr. Mohit Kumar Haldar, Dr. Syed Ahmad Ali, Mr. Salman Ghani Hashmi, Mr. Roop Lal Sharma, Mr. Mohd Riaz Umar, Dr. S.A. Hamideen, Dr. M.N. Sitaraman and Dr. Shankar Lal. As a recent development, air conditioners were installed in the college office, staff-room and in the library. The facility of networking and internet was made available to the teachers as well as the students. Today, the College has a modern computer lab. Computers have also been provided in the library. Compactors have been installed in the library to create more space and to keep books free from dust.

The college has maintained its sustained trajectory of development under the leadership of the Principal, Dr. M.A. Beg who joined the College in 2015. The infrastructure of the college has greatly improved. With more CCTV cameras at various spots, vigorous patrolling by an increased number of security personnel and a vigilant Proctorial Board, student discipline has seen a tremendous improvement. Classrooms are well lit, and equipped with LCD projectors. The elevators have been made functional for the Evening College. LCD screens in the staffroom and outside the Academic Block ensure that the college fraternity is informed of important circulars and notices, including schedule of classes and teachers on leave. The college building is being refurbished. A new committee room has been set up. The college has a computer centre with more than one hundred computers in the library for the use of students. With the cooperation and guidance of the Principal, various departments organised seminars, conferences and workshops over the last year. The Mirza Mehmood Begg Memorial Lecture, in memory of the legendary founder Principal of the college from 1947-1964, was organised in 2016, 2017 and 2018, and will remain an annual feature. Zakir Husain Delhi College (Evening) therefore maintains an amicable blend between the old and the new – we have moved forward keeping in tune with the times, and yet, the college makes every effort to uphold the values that characterised Delhi College in the 19th century. It continues to maintain the “Ganga Jamuna Tehzeeb” that characterised the college. The College steadfastly practices the ideals of secularism and tolerance, gender and social equality. The teachers and students come from different backgrounds and communities, and bonding in the face of this diversity is quintessential to the values of the college. Students learn to uphold these cultural values and yet be open to new ideas.

Strengths

Zakir Husain Delhi College (Evening) is a premier and one of the most renowned institutions of the University of Delhi. The college is not only meticulous in applying creative pedagogical methods but it also retains the ethics and values rooted in its heritage. The teaching and non-teaching staff work in cooperation and harmony with each other to provide an amiable and

cordial atmosphere. Apart from a deep knowledge of their respective subjects, students are taught to be disciplined, benevolent, and above all, humanitarian. One of the main objectives of the college, therefore, along with imparting knowledge, is that of building its students' character.

It is centrally located, symbolically at the threshold of the old city and the new. The premises of the College are enriched with plush lawns, trees, plants and shrubs and herbs.

It has been fortunate in having a distinguished, a highly qualified, dynamic faculty that is actively involved in academic and research activities, both within the college and also at the University level. Many of our teachers have been actively involved in designing pedagogy, curriculum, conducting research activities, guiding students, and conducting workshops, seminars and conference both at national and international level. They have been members in nationally and internationally acclaimed bodies.

The college offers Honours courses in English, Hindi, History, Persian, Political Science, Sanskrit, Urdu and Commerce at UG level and Hindi, Philosophy, Political Science at PG level. The annually published College prospectus gives all relevant and updated information to admission seekers as well as their guardians. There is a methodical admission procedure as per University prescribed guidelines that ensures that admissions are conducted smoothly. A team of able counsellors guide each student through the various stages of admission.

Each year, the new session begins with an Orientation Programme addressed by the Principal of the college, outlining the guidelines, college rules and regulations and basic values along with an acknowledgement of the previous year's academic achievements. The students are introduced to faculty members who head various Committees and whom they can approach in any eventuality. The College website [www.http://zakirhusainpgeve.in](http://zakirhusainpgeve.in) helps the students in checking attendance and evaluation records.

The college has a well-stocked library with a rich collection of books, journals, magazines and newspapers. The e-resource centre is equipped with a number of network computers where one can access e-books, e-journals, and a number of e-data bases.

The college Auditorium, Seminar Room and Audio-Visual room have state of art acoustics and overhead projection facilities, the college has ample room for extracurricular activities, conferences, educational film shows and lectures. The college also has a Computer Centre and is connected to University of Delhi by WAN.

The college has set up the Career Counselling and Placement Cell for proper guidance and recruitment facilities on campus. A special cell is available in the College for students from the North-East to prevent racial discrimination and harassment.

The sports facilities in the college are at par with University standards. We have separately maintained courts and grounds for sport activities like cricket, basketball, volley ball, and football. There are also indoor spaces for Chess, Carom, Judo, and Table Tennis.

The college canteen is a students' hub, where hygienically prepared varieties of Indian meals are served. There is also a 'Mother Dairy' and a 'Safal' outlet for healthy drinks and juices. Ours is one of the first Colleges across University of Delhi to declare its campus a 'Smoke free zone'.

The college provides medical facilities for all teaching and non-teaching staff and students. Doctors are available at designated timings. Health checkup camps and blood donation camps are conducted regularly by the college NSS unit.

The students are encouraged to develop and contribute to all forms of life, including the political. The Student's Union is an elected body that fosters intellectual, political and cultural enhancement among the students. Alongside making the students politically and socially aware of their environment the students' union hones their creative abilities and stages students' talent in its Annual fest, *Zeenat*.

Zakir Husain Delhi College (Evening) is the first college in University of Delhi to publish five different magazines in four languages – Bengali, English, Hindi, Urdu, and Commerce. Giving the students opportunities to perform at different levels, there are fourteen departments and each has its own academic society that organises seminars, conferences debates, talks, field trips etc. NCC and NSS units offer students opportunities to associate themselves with rudiments of military services and social services.

A well-rounded student is one who participates equally in academic as well as extra-curricular activities. The college has a number of vibrant and active cultural societies including the Arts and Culture, Bazm-e-Adab, Debating, Film and Photography Societies which engage students with their socio-cultural milieu where they can hone their skills and earn laurels for themselves and the institution. The students thoroughly enjoy and participate in the programmes of these Societies.

The Proctorial Board, Anti-Ragging and Internal Complaint Committees ensure discipline and security of the students and facilitate the maintenance of a safe and secure environment in the college congenial for education. CCTV cameras are installed at different spots throughout the college to ensure safety and security and maintain discipline. Safety of women and our girl students is of paramount importance and the Committee against Sexual Harassment works towards enhancing efforts towards gender sensitization and awareness.

The college also provides financial assistance and scholarship to the needy students such as Wakf Council scholarship, H.H. Zuberi Aid fund and R.Venkateshan Aid Fund. Monetary award such as Nidhi Devgan Memorial, Shyama Saxena, Arunabh Borgohain Memorial Awards are given to the deserving candidates.
