Inclusive Policy

Embarking on a journey of excellence and inclusivity, Zakir Husain Delhi College (Evening), University of Delhi, proudly champions the cause of equal opportunity through its vibrant Inclusive Policy. In a tapestry of diversity, we weave a narrative of empowerment, where every student's potential finds wings to soar, irrespective of background or circumstance. Rooted in the principles of fairness, equity, and social justice, our policy seeks to address barriers to access and ensures that all members of our college community have equitable opportunities for success. We recognize that diversity enriches educational experience and that each student brings unique perspectives, talents, and strengths to our college community.

Through our Inclusive Policy for Equal Opportunity, we aim to:

1. **Eliminate Barriers:** We strive to identify and remove barriers that may hinder access to education, resources, and support services for students from underrepresented or marginalized backgrounds.
2. **Promote Diversity:** We celebrate diversity in all its forms and actively promote an inclusive campus culture where differences are embraced and valued.
3. **Provide Support:** We offer a range of support services, including academic advising, counseling, and mentorship programs, to ensure that all students receive the assistance they need to succeed academically and personally.
4. **Foster Inclusion:** We create inclusive learning environments that promote respect, empathy, and understanding among students, faculty, and staff.
5. **Advocate for Equity:** We advocate for policies and practices that promote equity and social justice within our college and beyond.

By upholding our Inclusive Policy for Equal Opportunity, we are committed to building a college community that reflects the rich diversity of our society and provides a welcoming and supportive environment for all. Together, we strive to create a brighter future where everyone has the opportunity to reach their full potential and contribute positively to society.
