Policy on Remedial and Special Assistance for Needy Students

Zakir Husain Delhi College (Evening) places great emphasis on ensuring that every student, regardless of their background or circumstances, has equal access to educational opportunities and support. Recognizing the diverse needs and challenges faced by students, the college has developed a comprehensive Policy on Remedial and Special Assistance for Needy Students. This policy underscores our commitment to fostering inclusivity and academic excellence by providing tailored support to students requiring additional assistance.

Objectives:

- 1. Academic Equity:** The overarching goal of this policy is to promote academic equity by addressing the unique needs of students facing various challenges, including academic deficiencies, financial constraints, and personal circumstances.
- 2. Holistic Support:** Our approach to student support encompasses a range of interventions designed to address academic, financial, and psychosocial needs. From academic tutoring and counseling to financial aid and mentorship programs, we strive to offer comprehensive support that addresses the holistic well-being of each student.
- 3. Empowerment:** Central to our policy is the empowerment of students to overcome obstacles and achieve their academic and personal goals. By providing targeted assistance and fostering a culture of self-efficacy and resilience, we aim to equip students with the tools and resources they need to succeed.
- 4. Continuous Improvement:** As part of our commitment to excellence, we continuously evaluate and refine our support initiatives based on feedback, data, and best practices. By embracing a culture of continuous improvement, we strive to enhance the relevance, efficacy, and accessibility of our support services over time.

Our College is committed to creating an inclusive and supportive learning environment where every student has the opportunity to thrive. Through our Policy on Remedial and Special Assistance for Needy Students, we endeavour to uphold the principles of equity, empowerment, and academic excellence, ensuring that all students can realize their full potential.
