**‘NAAC ACCREDITED’**

17 September 2025

**Award of additional Attendance for Casting Vote in the Students' Union Election 2025**

"One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors." - Plato

"Democracy cannot succeed unless those who express their choice are prepared to choose wisely. The real safeguard of democracy, therefore, is education." - Franklin D. Roosevelt

"Our lives begin to end the day we become silent about things that matter." - Martin Luther King, Jr.

The youth of India are not just future citizens; they are the active participants and architects of the nation's democratic journey. Their active participation is vital for ensuring a vibrant, inclusive, and future-proof democracy for generations to come.

On the recommendation of the Election Committee, the College has decided in principle to award **five (05)** additional attendance to those students who cast their vote in the upcoming DUSU and College Students' Union Election scheduled to be held on 18 September 2025. This initiative is to encourage students' active participation in the democratic process. It has been observed in the past that large number of students did not participate and understand their right to vote.

I appeal to all students of the college to come forward and participate in this democratic process and strengthen democratic values of the country.

- Your vote is your voice.
- It's your responsibility and right to vote.
